ELECTRICITY

WHAT IT WILL DO IN YOUR HOME

It will light your house without dirt, smell or heat.

It will do your washing, your ironing, your sewing.

It will run your sewing machine, and washing or ironing machine.

It will make the finest toast you ever ate and the most delicious coffee you ever drank.

It will operate a fan to cool your room in summer or a radiator to warm it when it is cold.

It will help your wife light your Christmas tree, heat her shaving water at the navy's call.

It will heat the curling iron, dissolve the lunch and water bag and make itself useful in a hundred different ways.

It will relieve the cook from fire and inconvenience.

It will make your home more cheerful.

It will make you wise you and surprised a years ago.

LET US CALL ON YOU AND TELL YOU MORE ABOUT THIS WONDERFUL POWER.

We can put it in your home without inconvenience to you and at a price within your means.

We ask but a small amount and the balance can be paid in easy monthly installments.

We supply everything but the "JUICE" itself.

You Will Wire Your House Some Day — WHY NOT NOW?

Take advantage of our home wiring offer and get a neat little bill from us when you approve our bill.

You will never regret giving up your old kerosene lamps and common flatirons.
